# Index 60mm Adjustable 100mm

---

## PRODUCT DESCRIPTION

An adjustable spotlight with restrained proportions and a clean aesthetic. Ideally suited to areas that require flexibility such as the lighting of artwork or over island benches. A wide range of beam angles allows the product to be tailored to the specific requirements of each application. An all white bezel option offers a pure white on white aesthetic, whilst a black inner finish enhances user comfort by reducing brightness of the internal walls. An optional accessory, the honeycomb louvre is particularly suited to restaurant and bar applications, masking the light source and further optimising visual comfort. The fixture is semi-recessed, with fixing springs holding the mounting plate within the ceiling.

**MANUFACTURER** Ratio

**COUNTRY OF ORIGIN** Australia

**PRODUCT** Index 60mm Adjustable 100mm

**PRODUCT TYPE** Ceiling

**MOUNTING TYPE** Surface Mounted

**POWER** 11W, 16W
