# Index 60mm Fixed 100mm

---

## PRODUCT DESCRIPTION

A fixture for use in areas with restricted ceiling depth, or as a visual reference to room elements such as island benches or reception desks. Narrow beam angles are suitable for accent or task lighting, or wide for broad general illumination. An all white bezel option offers a pure white on white aesthetic, whilst a black inner finish enhances user comfort by reducing brightness of the internal walls. An optional accessory, the honeycomb louvre is particularly suited to restaurant and bar applications, masking the light source and further optimising visual comfort. For installation with remote driver.

**MANUFACTURER** Ratio

**COUNTRY OF ORIGIN** Australia

**PRODUCT** Index 60mm Fixed 100mm

**PRODUCT TYPE** Ceiling

**MOUNTING TYPE** Surface Mounted

**POWER** 11W, 16W

**LUMINOUS FLUX** 558lm-1185lm

**CCT** 2700K, 3000K, 3500K, 4000K
