

Ogle Mini Table Lamp

PRODUCT DESCRIPTION

The atelje Lyktan Ogle Table Lamp sees design in a light all of its own. The luminaire has a lampshade in die-cast aluminium in size of a melon and at the bottom of the globe a LED eye keeps watch. An eye that can shift its gaze thanks to a groove on top of the lamp. LED technology Chip On Board (COB) offers high colour rendering and a lumen output up to 1660 lm. The luminaire is equipped with a combination of lens and faceted reflector that both protects the light source and provides light comfort. Luminaire housing in die-cast aluminium with a milled groove on the upper side, which clearly signals about flexible setting possibilities. Can be freely tilted up to 90° and rotated by up to 360°.

- MANUFACTURER** atelje Lyktan
- COUNTRY OF ORIGIN** Sweden
- PRODUCT** Ogle Family
- PRODUCT TYPE** Table
- MOUNTING TYPE** Table Lamp
- POWER** 5.5W GU10
- LUMINOUS FLUX** 355lm - 375lm
