

# Ogle Track

## PRODUCT DESCRIPTION

The ateljé Lyktan Ogle sees design in a light all of its own. The luminaire has a lampshade in die-cast aluminium in size of a melon and at the bottom of the globe a LED eye keeps watch. An eye that can shift its gaze thanks to a groove on top of the lamp. LED technology Chip On Board (COB) offers high colour rendering and a lumen output up to 1660 lm. The luminaire is equipped with a combination of lens and faceted reflector that both protects the light source and provides light comfort. Mounted on 3-phase rails. Ogle can be tilted up to 90° and is 360° adjustable which gives very flexible lighting.

- MANUFACTURER** ateljé Lyktan
- COUNTRY OF ORIGIN** Sweden
- PRODUCT** Ogle Family
- PRODUCT TYPE** Ceiling
- MOUNTING TYPE** Surface Mounted
- POWER** 9W, 16W
- LUMINOUS FLUX** 1000lm - 1660lm
- CCT** 3000K
- CRI** 90
- DISTRIBUTION** 37°
- CONTROL** Touch Dim, DALI
- IP RATING** 20
- SCDM** 3
- LED LIFETIME** L90B10 60,000hrs
