
Stork

PRODUCT DESCRIPTION

The Vizulo Stork is an award-winning premium street luminaire product family. This unusually potent (up to 41000 lm!) luminaire is an expression of the VIZULO core values: exceptional quality, and flexibility. For almost a decade, it has been illuminating the streets of the Netherlands, Switzerland, Iceland, and many other countries all across the globe. The Vizulo Stork is complete with world-class vandal protection, enhanced durability, surge protection, automatic midnight dimming, and quick tool-less enclosure access with modular drivers. Rest assured, there is a right Stork for any environment as there are limitless configuration options.
